TufBuilt™

It's a way of life... the Pursuit of Happiness.

The Standard All Others are Measured By.

Established in 1993, Taizhou Deluxe Kitchen & Bathroom Co., Ltd has nearly 18 years' history in producing cast iron clawfoot bathtubs.

We specialized in producing cast iron bathtub and sink for both kitchen and bathrooms. Our plant covers an area of 150,000 square foot. With 5 enamel experts and senior engineers, 10 experienced technicians, and more than 200 well train staff, our production capacity has reached 40,000 pcs annually. Innovations have helped us hone our skills. Using Vacuum Casting technology, and highest quality raw material, our quality has been recognized by some very prestigious sources.

Whether you invest in a TufBuilt Clawfoot Bathtub or any other of our products, you can feel secure that it has been designed and handcrafted to the very highest standards. Since 1993, every piece of TufBuilt cast iron bathtub has been craftmade to offer lifetime grace and functionality through our commitment not only to our customer's needs, but also to their dreams.
